

Lighting and Warning systems

COMPLETE SETS OF LIGHTING AND WARNING SYSTEMS

AND ACCESSORIES (Support, Connections, and others...)

ETS KBS is supplying for years a large range of lighting and warning systems for industrial vehicles, tourism, Defense, marines, firemen and many other special vehicles.

This range can be manufactured in different models and can have large sizes for very big vehicles like off roads, busses and others.

Following the high level quality, ETS KBS is referenced in OEM equipment and is supplying the worldwide constructors like:

- IVECO/FIAT
- MERCEDES
- SCANIA
- VOLVO
- MAN
- DAF
- RENAULT TRUCKS
- NISSAN
- SNVI
- ENMTP
