

# Opening windows systems

## COMPLETE SETS OF OPENING WINDOWS SYSTEMS AUTOMATIC AND MANUAL

AND ACCESSORIES (Handles of doors, joints, deflectors and others...)

ETS KBS is supplying for years a large range of open windows systems (electrical and manuals), especially for industrial vehicles, tourism, marines and special vehicles for Defense, firemen, marines...

This range can be manufactured in different models and can reach large sizes for very big vehicles like off roads, busses and others.

Following this way, ETS KBS is referenced in OEM equipment and is able to supply the worldwide constructors like:

- IVECO/FIAT
- MERCEDES
- SCANIA
- VOLVO
- MAN
- DAF
- RENAULT TRUCKS
- NISSAN
- TOYOTA
- FORD
- MITSUBISHI
- SNVI
- ENMTP
